Wayne State University to Present Annual Faculty Exhibition

Wayne State University is pleased to announce the presentation of its annual *Faculty Exhibition* from September 18 through October 23, 2009 in the Art Department Gallery. This exhibition features works of art and design by both full and part-time faculty of Wayne State University's Department of Art and Art History in the College of Fine, Performing and Communication Arts.

Boasting some of the finest artists of the region, Wayne State University presents the annual *Faculty Exhibition* to kick off the 2009-10 academic year and exhibition season. Faculty members who have studied a variety of disciplines throughout the United States come together in an exhibition that celebrates many areas of art and design, including painting, drawing, sculpture, printmaking, ceramics, metals, fibers, digital art, and photography along with graphic, computer, fashion, industrial and interior design. This always popular exhibition also reflects diversity in stylistic and conceptual approaches. Come and see why Wayne State University is the choice for some of the region's finest art students!

The exhibition's opening reception is on Friday, September 18, from 5:00 to 8:00 PM, and is free and open to the general public. The Art Department Gallery is located in the Art Building on the campus of Wayne State University, near the intersection of Cass Avenue and Kirby Street. Metered street parking is available, and is free after 6:00 PM. We encourage all to attend this season opening exhibition!
